

Projet 6000 Serial Number 10311164401 GE 378

3D Systems ProJet 6000 Stereolithography System Manufactured – July 2013

- 118 laser hours
- < .004" laser spot size
- 200mW laser power
- Ceramic Z-coil
- Clean hard disk drive with 3D software version 2661 installed (latest version)
- No photopolymer included

Projet 6000 Serial Number 10311166501 GE 379

3D Systems ProJet 6000 Stereolithography System Manufactured – August 2013

- 77 laser hours
- < .004” laser spot size
- 200 mW laser power
- Ceramic Z-coil
- Clean hard disk drive with 3D software version 2661 installed (latest version)
- No photopolymer included
